EXPERIENCE

Professional Baseball Player

Aug 2023 – Apr 2026

Philadelphia Phillies (2023–2025), Texas Rangers (2026) | Minor League Affiliates

- › Pitcher competing at the professional level across two MLB organizations, performing in high-pressure, results-driven environments.
- › Demonstrated consistent preparation, accountability, and adaptability while progressing through the minor league system.
- › Operate within structured performance frameworks, emphasizing continuous improvement, feedback, and execution.

Wealth Management Intern

Dec 2024 – Feb 2026

Firm Foundation Family Wealth | Remote

- › Support advisors across investment management and financial planning functions, with a focus on analytical reporting and operational execution.
- › Prepare rollover analyses and asset allocation reports using model portfolios to support client recommendations.
- › Build end-of-year and ongoing performance reports using Orion for client review meetings.
- › Assist with retirement projections, cash flow analysis, and planning scenarios using eMoney and RightCapital.
- › Develop spreadsheets and analyses related to life insurance planning and client-specific evaluations.
- › Maintain and update client tasks and records within Wealthbox and Fidelity Wealthscape platforms.
- › Coordinate operational workflows by preparing rollover acknowledgment agreements and organizing client documentation for compliance and tax season.
- › Trusted by advisors to independently produce reports, analyses, and provide insight on portfolio models and allocation decisions.

Co-Founder

Nov 2024 – Present

Old Logan Capital

- › Co-founded an early-stage investment concept focused on developing long-term investment strategies and disciplined research processes.
- › Contributed to conceptualizing investment philosophy, internal research frameworks, and portfolio strategy.
- › Authored internal investment letters and research summaries to document theses and decision-making processes.
- › Built and maintained the firm's website and assisted in brand development and digital presence.
- › Developed custom research tools and workflows using programming and data analysis to support investment evaluation.

ATHLETICS EXPERIENCE

NCAA Division I Baseball — Charlotte 49ers

Aug 2021 – Jun 2023

- › Pitcher on the winningest team in program history, led team with 8 wins.
- › Balanced Division I athletics with academics, graduating with honors.
- › Recognized for leadership, team cohesion, and competitive excellence.
- › C-USA All-Tournament Team; ranked 9th in program history for strikeouts looking.
